# Onboarding

This chapter is intended to present you the requirements that will allow you to use C2C Widget in your business. We have presented here what information is necessary to provide so that you can join the C2C Widget program and so that we can properly create the required account for you in our system.

## Business onboarding

| To start using C2C Widget you need to go through a few onboarding steps: |
| --- |
| 1. Please contact our sales - *salesteam@verestro.com* |
| 2. Please respond to some introduction question that will let us prepare proposal for you. |
| 3. You will receive offer. |
| 4. If you accept the offer you will be asked to provide some company documents required for the AML verification process. |
| 5. After succesful AML process you will receive contract with our partnering acquiring institution. |
| 6. And finally you will enable C2C Widget to enable card to card transfers. |

## Technical onboarding

**Important!** Implementation of the solution in progress...
